

Small trikes V-series

The small trikes 007, Viki and Vik

- People who require more stability or slow driving
- Users with brain injury
- Users with knee and back injuries
- Users with reduced muscle power
- Users with reduced mobility
- Little persons who also enjoy the fun of cycling

Three wheels — for safety and comfort

The smaller V-models from Jørn Iversen are built after the formula „The customer knows what is needed“ — hence the modern design and focus on safe and comfortable cycling.

The 007-model is entirely custom built in accordance with the customer's needs and wishes.

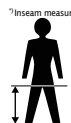

For Viki og Vik you will find an extensive line of accessories, so you can configure your tricycle according to your own wishes.

CE Design: 3Part A/S

007 - Viki - Vik

007

007 is tailor made in accordance with the customer's needs and wishes. The low entering height of only 7 cm allows users with short legs to effortlessly enter the trike. The choice of specially developed pedals ensures easy and safe cycling. The wide range of seats ensures comfortable cycling.

- Low mounting height — only 7 cm
- Sealed ball bearings
- Choose between fixed hub, free-wheel, or 3 gears
- Models with free-wheel and gears come with foot brake
- Easy and safe driving over the kerbs
- Four-layer coating on frame
- Tailored pedal construction
- Extensive accessories program

Vik

- Low mounting height — only 12,5 cm
- Optional 3 or 7 gears
- Drum brakes on the front wheels
- Fixed hub or free-wheel with foot brake
- Parking brake
- Sealed ball bearings
- Easy and safe driving over the kerbs
- Four-layer coating on frame
- Optional fixed hub or free-wheel with foot brake
- Heels in the curves, almost like a two-wheel bicycle
- Extensive accessories program

Viki

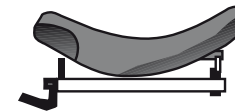

- Low mounting height — only 12 cm
- Optional 3 or 7 gears
- Drum brakes on the front wheels
- Fixed hub or free-wheel with foot brake
- Parking brake
- Sealed ball bearings
- Easy and safe driving over the kerbs
- Four-layer coating on frame
- Optional fixed hub or free-wheel with foot brake
- Heels in the curves, almost like a two-wheel bicycle
- Extensive accessories program
